When weighing the merits of a speech, you should consider several factors. An effective speech should be inspiring, responsive to its audience and flow with ease. There should be no ambiguity to the intended message. When reviewing a speech, give equal weight to content and delivery. A memorable speech should be alive on paper and when spoken.

### How to Write a Speech Review | The Classroom

Effective speaking is an art. People give speeches for a number of reasons, from arguing a point to explaining a process. While anyone can stand up and present their information orally, there is a lot that goes into an effective speech. When composing a speech evaluation essay, you must look at the speech critically and consider not only the effectiveness of the speech itself, but also the ...
