Components Of A Bar Or Restaurant Operations Manual An 'operations manual' is a collection of important documents, checklists, guidelines, systems and any other information that every employee needs to know (or act as a reference guide so employees can quickly check this document if they need to know something).

Components Of A Bar Or Restaurant Operations Manual

Bartender training for new hires should include explicit rules as to which glasses are required for each cocktail and beer your restaurant carries. While one bar might use a pint glass for every beer, a craft beer bar would scoff at that idea, so clarify in training what your standards are, and make sure your staff sticks to them.
