Earlier in the year an engineer changed my timer to a new UT2, however he failed to leave me a manual and now I can understand why it is offering me three time slots of off and on instead of the normal two - British Gas want to send me out another engineer to set it but this of course would cost me an arm and a leg all for the sake of their incompetancy

Can you tell me where I can download a user manual for ...

I have a gas fired heating system at home, controlled by a 'Scottish Gas' branded 'EMT2' controller/timer. As things stand, the heating will not fire up, I can get hot water by manually switching on the boiler via the mains switch on the wall. When I attempt to turn the heating on, the red power led light on the EMT2 lights up fully for a few ...
