Padraig O'Malley's book, "The Two-State Delusion; Israel and Palestine - A Tale of Two Narratives" is a seminal work that puts into clear perspective the basic elements behind not only the hopelessly intractable Israeli-Palestinian narrative but about the narratives of so many other world combatants and adversaries, like all those just witnessed back in Sydney, who are hopelessly locked in similar death spirals with one another.

The Two-State Delusion: Israel and Palestine--A Tale of ...

A refreshing look at the myth of a two state solution between the state of Israel and the Palestinians. The book totally debunks the wishful thinking of a Palestinian state which was never in play since 1948 and certainly not after 1967. O'malley's arguments are well researched and grounded.
